Our responsibility is to express a conclusion on these condensed interim financial information based on our review.

**Scope of review**

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Basis for Disclaimer of Conclusion**

The Company has accumulated losses of the AED 326.48 million as at 31 March 2026, which represents 142% of the share capital and the Company reported a net deficit of AED 83.86 million.

Further, as disclosed in Note 26, the Company is not in compliance with the solvency requirements of Central Bank of the U.A.E (CBUAE).

We have not been provided with sufficient appropriate information to support the Company's ability to continue as a going concern. These circumstances indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Accordingly, we were unable to conclude on the appropriateness of the going concern basis of preparation of this condensed interim financial information or determine whether any adjustments were necessary in respect of this matter.

**Disclaimer of Conclusion**

Due to the significance of the matters described in the Basis for Disclaimer of Conclusion paragraph, we have not been able to obtain sufficient appropriate information to provide a conclusion on the accompanying condensed interim financial information. Accordingly, we do not express a conclusion on this condensed interim financial information as at 31 March 2026.

**Emphasis of matter**

Without modifying our conclusion, we draw attention to Note 2 to the condensed interim financial information, which describes the outcome of the Annual General Assembly meeting held on 30 April 2026, wherein the shareholders did not approve, among other matters, the audited financial information of the Company for the year ended 31 December 2025 and certain related resolutions.
