Condensed interim financial information (Unaudited)

For the three-month period ended 31 March 2025

Report on Review of the Condensed Interim Financial Information To the Shareholders of Al Sagr National Insurance Company (PSC)

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Al Sagr National Insurance Company (PSC) (the “Company”) as at 31 March 2025 and the related condensed interim income statement, condensed interim statement of comprehensive income, condensed interim statement of changes in equity and condensed interim statement of cash flows for the three-month period then ended, and material accounting policy information and other explanation notes. Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with International Accounting Standard 34 “Interim Financial Reporting”. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, “*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*”. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

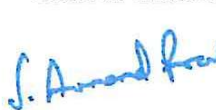

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information are not prepared, in all material respects, in accordance with International Accounting Standard 34 “Interim Financial Reporting”.

Material Uncertainty Related to Going Concern

We draw attention to note 18 of the financial statements, which states that as of 31 March 2025, the Company did not meet the Solvency Capital Requirement of AED 303.2 million and had a solvency margin deficit of AED 506.4 million. Further, the Company have accumulated losses of AED 189.8 million (31 December 2024: AED 180.4 million). These conditions indicates that a material uncertainty exists that may cast significant doubt on the Company’s ability to continue as a going concern. The accompanying financial statements have been prepared on a going concern basis as the Board of directors have approved a solvency recovery plan. The Company’s ability to comply with the solvency requirement depends on effective implementation of the solvency recovery plan, which has been submitted to the Central Bank of UAE. Our conclusion is not modified in respect of this matter.

Notes to the condensed interim financial information

For the period ended 31 March 2025

1 Legal status and activities

Al Sagr National Insurance Company (PSC), (the "Company") was incorporated on 25 December 1979 as a public shareholding company by an Emiri Decree from His Highness, The Ruler of Dubai, and is registered with the Ministry of Economy of the United Arab Emirates under registration No. (16). The Company's address in Dubai is P.O. Box 14614, Dubai, U.A.E. The Company is a subsidiary of Gulf General Investments Co. PSC (the "Parent Company"), a public company incorporated in U.A.E.

The principal activity of the Company is the writing of insurance of all types. The Company operates through its Head Office in Dubai and its branches in Dubai, Sharjah, Abu Dhabi, Al Ain, Ras Al Khaimah and Ajman in the U.A.E.

2 Basis of preparation

This condensed interim financial information is for the three-month period ended 31 March 2025 and is presented in United Arab Emirate Dirham (AED), which is also the functional currency of the Company. This condensed interim financial information has been prepared in accordance with IAS 34 'Interim Financial Reporting' and complies with the applicable requirements of the laws in the U.A.E.

This condensed interim financial information has been prepared on the historical cost basis, except for financial assets carried at fair value through other comprehensive income which are carried at fair value and the provision for employees' end of service indemnity which is measured in accordance with U.A.E labour laws.

The Company's condensed interim statement of financial position is not presented using a current / non-current classification. However, the following balances would generally be classified as current: Cash and cash equivalents, insurance and other receivables and insurance and other payables. The following balances would generally be classified as non-current: property and equipment and fixed deposit. The following balances are of mixed nature (including both current and non-current portions): Investment in financial assets at FVTPL, insurance and reinsurance contract assets, insurance and reinsurance contract liabilities, bank balances and provision for employees' end of service indemnity.

The condensed interim financial information does not include all the information required in annual financial statements in accordance with IFRS and should be read in conjunction with the financial statements of the Company for the year ended 31 December 2024. Further, results for interim periods are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2025.

As disclosed in note 18 of the financial statements, as at 31 March 2025, the Company did not meet the Solvency Capital Requirement of AED 303.2 million and solvency margin deficit of AED 506.4 million. Further, the Company have accumulated losses of AED 189.8 million (31 December 2024: AED 180.4 million). The Company's ability to comply with the solvency requirement depends on the effective implementation of its solvency recovery plan, which is submitted to the Central Bank of UAE. However, as certain actions included in the plan are not wholly within management's control, a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

3 Material accounting policy information

The accounting policies, critical accounting judgments and key source of estimation used in the preparation of this condensed interim financial information are consistent with those used in the audited financial statements for the year ended 31 December 2024, except for application of new standards effective as of 1 January 2025 and several amendments and interpretations apply for the first time in 2025.

Standards, interpretations and amendments to existing and new standards

There are no accounting pronouncements which have become effective from 1 January 2025 that have a significant impact on the condensed interim financial information.

Critical accounting estimates and judgments in applying accounting policies

The preparation of this condensed interim financial information requires management to make judgements, estimates and assumptions that effect the application of accounting policies and the reported amounts of assets and liabilities, income, and expense. Actual results may differ from these estimates.

Condensed interim financial information (Unaudited)

Notes to the condensed interim financial information
For the period ended 31 March 2025

3 Material accounting policy information (continued)

Critical accounting estimates and judgments in applying accounting policies

In preparing this condensed interim financial information, the significant judgements made by management in applying the accounting policies and the key sources of estimation uncertainty were the same as those that were applied in the audited financial statements as at and for the year ended 31 December 2024.

Insurance and financial risk management

The Company's insurance and financial risk management objectives and policies are consistent with those disclosed in the audited financial statements as at and for the year ended 31 December 2024. There have been no changes in any risk management policies since the year end.

Discount rates

The Company use bottom-up approach to derive the discount rate. Under this approach, the discount rate is determined as the risk-free yield, adjusted for differences in liquidity characteristics between the financial assets used to derive the risk-free yield and the relevant liability cash flows (known as an illiquidity premium). The risk-free rate was derived using swap rates available in the market denominated in the same currency as the product being measured. When swap rates are not available, highly liquid sovereign bonds with a AAA credit rating were used. Management uses judgment to assess liquidity characteristics of the liability cash flows.

Discount rates applied for discounting of future cash flows are listed below:

	1 year		3 years		5 years		10 years

16 Fair value measurement

Financial assets measured at fair value in the condensed interim statement of financial position are grouped into three levels of a fair value hierarchy. This grouping is determined based on the lowest level of significant inputs used in fair value measurement, as follows:

- Level 1 – quoted prices (unadjusted) in active markets for identical assets;
- Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The table below analyses financial instruments measured at fair value at the end of the reporting period, by the level in the fair value hierarchy into which the fair value measurement is categorised:
